e could scarcely eat anything, and what little he did take seemed to do her no good. Her sh was soft and not bealthy, and she was my much concerned about her. No medicine sensed to have any effect until about two equites ago we commenced to give her Hood's areaparilla. She had not taken half a bottle before sim began to eat heartily, and we could see a decided change in her. Today she is in the full enjoyment of

Perfect Health. Her flesh is solid, her appetite good and cheeks

sy, her sleep sound and refreshing, and her

spirits high. She is full of life, and as inlachlerone as she can be. All this improvement was
brought about by taking thosts Sarsaparilla.
